

COVID-19 SAFETY MEASURES

From Monday 19th July
visiting remains limited to:

- Patients receiving end of life care
- A parent / responsible adult visiting a child
- A carer supporting a patient with dementia or disabilities
- Maternity - one birth partner permitted to attend appointments, throughout labour and limited post-natal visiting

Any visiting must be agreed with the nurse/midwife in charge of the ward/department **BEFORE** coming to the hospital

Thank you for your continued support
